

We have taken the difficult decision to sell Elm Lodge; we now wish to enjoy semi retirement whilst still having an active interest in the site by continuing to operate Ash Lodge.

Elm Lodge is 4 years old and comprises of an open plan lounge, kitchen and dining area, a king sized bedroom, a further twin bedroom and two bathrooms. Outside there is a hot tub and extensive areas of decking.

The lodge has been maintained to the highest standard and is to be sold with all furniture, fittings and equipment.

Further information is available on request .

Elm Lodge (plot 6) is located on a site owned by Billingsley Park Lodges. As a lodge owner you are able to use the lodge for your own proposes or rent out the lodge as a holiday let. Unlike many similar parks the site is open twelve months of the year.

Billingsley is ideally located to access a huge range of attractions and is situated amongst beautiful, peaceful Shropshire countryside. It makes a great base from which to explore the wider area. Being centrally located it is popular with visitors from throughout the UK and even further afield.

Elm Lodge is currently run as a very successful holiday business and is busy all year round.
